

PREFACE

With the grace and blessings of Allah SWT, the researcher is truly grateful to have completed this undergraduate paper entitled “The Effectiveness of Interactive Digital Media (Wordwall on Smartboard) In Teaching English Vocabulary to Kindergarten Students.” This paper is submitted as a partial fulfillment of the requirements to obtain a *Sarjana Pendidikan* degree in English Education.

The researcher sincerely acknowledges the tremendous support and contributions from many individuals who have helped turn this research from an initial idea into a meaningful academic work. In this regard, the researcher wishes to express heartfelt appreciation to the following:

1. Wawan Tarwana., S.Pd, M.Hum. and Dr. Lilies Youlia F., SS., M.Pd. BI, as academic supervisors, for their steadfast guidance, thoughtful feedback, and consistent support throughout every stage of this research. Their mentorship has played a crucial role in shaping this work.
2. Dr. Li. Bambang Ruby S., M.Pd, Head of the English Education Program, for his encouragement and efforts in fostering a positive academic environment.
3. All lecturers of the English Education Department, who have generously shared knowledge and expertise that have significantly contributed to the researcher’s academic development.
4. To the principal, teachers, and staff of PAUD Harapan Bunda, for granting permission and providing valuable support throughout the research process. The researcher sincerely appreciates their cooperation, assistance, and warm welcome during the data collection and implementation of the research.

5. The researcher's beloved parents, whose unconditional love, endless prayers, sacrifices, and unwavering support have been the greatest source of strength throughout her academic journey. Their moral and financial support, patience, and belief in her have accompanied her through every challenge and every step toward the completion of this paper. Words cannot fully express the researcher's gratitude for everything they have given and sacrificed. This achievement would not have been possible without their love, prayers, and continuous support.
6. To beloved brothers, cousins, and extended family, thank you for your constant encouragement, prayers, kindness, and support throughout the researcher's academic journey. Your presence, motivation, and words of encouragement have brought strength and comfort during difficult moments. The researcher is deeply grateful for having a family who has always been there and has shared in every step of this journey.
7. To ZEBLAK members—Nurul Herawati, Anju Najwatilah, Widianingsih, and Anggi Puspitawati—for their unwavering friendship, constant support, and for always being by her side throughout her university years, from the first semester until the completion of this paper.
8. To English Education 22, for their continuous support, assistance, motivation, and valuable discussions throughout the researcher's years of study and the process of completing this paper.
9. To Galuh English Students Association (GESA), its members, fellow students, and alumni, for the valuable experiences, meaningful learning opportunities,

friendship, support, and encouragement throughout the researcher's college years. Being part of GESA has also given the researcher the opportunity to develop leadership skills, teamwork, and a sense of responsibility, all of which have become meaningful parts of her academic journey.

10. To someone special, whose initials are R. Wldzn W.P. has been a constant source of support throughout. Thank you for always making time, for listening with patience, staying by the author's side, and being part of the journey until this paper was finally completed.
11. The author would like to express appreciation to herself for the perseverance, resilience, and determination that carried her through every stage of completing this paper. This journey was filled with challenges, moments of doubt, and valuable lessons that shaped the author into a stronger and more determined person. May every effort, prayer, and experience throughout this process become a meaningful lesson and a strong foundation for facing future endeavors and challenges with greater courage and confidence.

Finally, the researcher hopes that this paper will be valuable to both herself and its readers. The researcher also welcomes suggestions and constructive criticism for the improvement of this paper.
