

PREFACE

Praise to Allah SWT for the grace and blessing that has given health and a chance to the writer to finally finish this paper. The writer has completed this paper entitled “The Use of Kahoot as a Game-Based Online Tool to Enhance Students' Motivation in Reading”. This paper was submitted as a partial fulfillment of the requirements for attaining the Bachelor of Education degree in English Education at Universitas Galuh.

The writer would like to express their indebtedness to many people. His sense of gratitude and thankfulness helped him work on this paper; without anyone's help, it would still be a dark dream. Therefore, the writer wants to express this feeling, which has indebted many people, in conducting this paper. First of all, the writer would like to extend great thanks to my parents who have given support in material and immaterial. In addition, the writer would like to thank:

1. Dr. R. Bunga Febriani, S.S., M.Hum. as the first supervisor. She has shared valuable knowledge, offered constructive input, taken the time, and provided guidance during consultations, all amid her busy schedule.
2. Rina Herlina, M.Pd., as the second supervisor. Who has been willing to correct writing errors and provide input that provides very useful insights in completing this paper.
3. All the lecturers of the English education program at Galuh University who have given a lot of knowledge to the writer during college.

4. The writer's parents, Mamat Rahmat and Cucu Sumiati. Who became the

biggest source of happiness for the writer to be more motivated in completing this study. Also, the writer younger sister always supports and has fun together. Thank you for the material support and sacrifices that can never be repaid. As the first child who can prove to be the closing scholar in the family.

The writer expects that this paper will be useful to her and to readers in general.
