ELSEVIER

Share your article!

Dear Dr Rohita,

As co-author of the article *Non-Pharmacological Pain and Stress Management (N-PPSM) in Pediatric Wards: A Nurses' Perspective*, we are pleased to let you know that your article is now available online with author corrections incorporated. Full citation details, e.g. volume and/or issue number, publication year and page numbers, will be added when the final version becomes available.

To help you and the other authors access and share this work, we have created a Share Link – a personalized URL providing **50 days' free access** to the article. Anyone clicking on this link before October 02, 2024 will be taken directly to the latest version of your article on ScienceDirect, which they are welcome to read or download. No sign up, registration or fees are required.

Your personalized Share Link:
<https://authors.elsevier.com/c/1jbl65QkHkbf1v>

We encourage you to use this Share Link to download a copy of the article for your own archive. The URL is also a quick and easy way to share your work with colleagues, co-authors and friends. And you are welcome to add the Share Link to your homepage or social media profiles, such as Facebook and Twitter.

You can find out more about Share Links on [Elsevier.com](https://www.elsevier.com).

Did you know, as an author, you can use your article for a wide range of scholarly, non-commercial purposes, and share and post your article online in a variety of ways? For more information visit www.elsevier.com/sharing-articles.

Kind regards,
Elsevier Researcher Support
