

## MOTTO AND DEDICATION

“I have come to find that passion is a key ingredient to the study and practice of law and of life. It is with passion, courage of conviction, and strong sense of self that we take our next steps into the world. Remembering that first impressions are not always correct. You must always have faith in people, and most importantly, you must always have faith in yourself. Congratulation class of 2025, we did it!”

*This paper is lovingly dedicated to my beloved family and friends. To my parents and family, thank you for your endless love, patience, and unwavering support throughout every step of this journey. Your encouragement has been the foundation of my strength. And to my dear friends, your constant motivation, understanding, and companionship made the challenges more bearable and the successes more meaningful. I could not have done this without each of you by my side.*
