

PREFACE

Praise be to Allah SWT. God of the universe who has bestowed various gifts to researcher so that they can complete the thesis entitled “Exploring the use of Visualization Strategy for Reading Comprehension Skills of EFL Vocational High School Student in Ciamis”. This thesis is submitted to fulfill the requirements to obtain a Bachelor of Education degree in the English Education Study Program at the Faculty of Teacher Training and Education at Galuh Ciamis University.

On this occasion, the researcher respectfully expresses his deepest gratitude for all the efforts and efforts that have been given to the researcher during the preparation of the thesis, the researcher is very aware that the thesis is still far from being perfect but the researcher gets help and support from various parties so that the thesis can be completed on time. Therefore, the researcher's deepest gratitude and appreciation goes to:

1. Dr.Li. Bambang Ruby S, S.Pd.I.,M.Pd as the Head of English Education Study Program, FKIP, Galuh Ciamis University and second supervisor who has always guided, given advice and opinion related to the preparation so that this thesis can be completed until the end.
2. Wawan Tarwana, SPd.,M.Hum. as the first supervisor who has provided input, support, motivation, and guidance from the beginning of the

preparation until the completion of the thesis. from the beginning of the preparation until the completion of this thesis.

3. All lecturers of the English Education Study Program at Galuh University who have provided their knowledge to support the content of this thesis to be better.
4. The researcher's family, especially the researcher's parents who have continuously provided support in various forms, especially moral and material support so that the researcher can reach the stage of preparing the thesis to completion.
5. To the students and teachers of SMK who have helped many researcher to realize this research to completion.
6. To all my friends in 2021 English education, especially class B, who always bring joy and motivation, and are at the forefront of helping and supporting each other in every situation. Thank you also for always struggling together to realize this Bachelor of Education degree.
7. For other parties from various circles who cannot be mentioned one by one, the researcher would also like to thank you because without you this thesis would not be as good and complete as this.

Finally, the researcher is very confident and fully aware that this research is far from perfect, so with that the researcher hopes for suggestions and criticism from readers to build and shape researcher to be better in the

preparation of this research. Hopefully this research will be a good and useful result for researcher as well as readers.
