

PREFACE

All praise is due to Allah SWT for His endless blessings, guidance, and mercy, which have enabled the researcher to complete this paper entitled “The effectiveness of a digital snakes and ladders game on second graders’ english vocabulary mastery” This paper has been prepared and submitted as partial fulfillment of the requirements for achieving the *Sarjana Pendidikan* degree in the English Education Study Program at Galuh University.

This paper could not have been completed without the support, guidance, and encouragement of many individuals. Therefore, the researcher would like to express sincere gratitude and appreciation to the following persons:

1. Dr. Li. Bambang Ruby S., M.Pd., Head of the English Education Study Program, for his support and motivation throughout the completion of this thesis.
2. Dr. Leni Irianti, S.Pd., M.Pd., the first supervisor, for her valuable guidance, constructive suggestions, and continuous encouragement during the research process.
3. Dr. Lilies Youlia F., S.S., M.Pd.BI., the second supervisor, for her insightful feedback, corrections, and assistance in improving this thesis.
4. All lecturers of the English Education Study Program at Universitas Galuh for sharing their knowledge, experience, and inspiration throughout the researcher’s academic journey.
5. The principal, teachers, and students of the selected one of the private Islamic schools in Tasikmalaya who willingly participated in this study and

facilitated the research process.

6. The researcher's beloved parents, especially her mother Nurrina Firdausi, S.Pd.AUD, who has dedicated her life as a teacher in Tasikmalaya. Every prayer she whispers on her prayer mat always carries the researcher's name. Every step, aspiration, and achievement attained by the researcher would not have been possible without her sacrifices, hard work, and countless prayers. Behind every success the researcher has achieved lies a long journey of perseverance and patience that she has endured throughout the years.
7. The researcher's collage friends who have provided encouragement, assistance, and memorable experiences throughout the completion of this paper are extended to Syafa, Nadira, Tria, and Alisya for their support and companionship. Special thanks are also addressed to Nadipa, Anita, Alya, Friska, Nisa, Tasa, Tasya, Mila, Gita, Festy, Intan, and Rafid for their constant motivation, assistance, and friendship. The researcher would also like to express sincere gratitude to Fahrizal, who has been a source of encouragement, emotional support, and companionship throughout the process of completing this paper. His presence, understanding, and continuous motivation have been invaluable in helping the researcher overcome various challenges and academic pressures, ultimately contributing to the successful completion of this paper. Finally, the researcher would like to thank everyone who has contributed, directly or indirectly, to the completion of this paper. May this study provide benefits for future researchers, students, and readers.

The researcher acknowledged that this paper was still imperfect and had several limitations. Therefore, constructive criticism and valuable suggestions were highly appreciated for future improvement. It was expected that this paper would make a positive contribution and serve as a useful reference in the development of English education.
