

PREFACE

All praise is due to Allah SWT for His endless blessings, guidance, and mercy, which have enabled the researcher to complete this paper entitled “Students' Experiences in Learning Descriptive Writing through an Interactive Word-Puzzle Web: A Qualitative Study on Seventh Graders.” This paper has been prepared and submitted as partial fulfillment of the requirements for achieving the *Sarjana Pendidikan* degree in the English Education Study Program at Universitas Galuh.

This thesis could not have been completed without the support, guidance, and encouragement, and assistance of many individuals. Therefore, the researcher would like to express her sincere gratitude and appreciation to the following:

1. Dr. Li. Bambang Ruby S, S.Pd.I., M.Pd. Head of the English Education Study Program, for his support and motivation throughout the completion of this thesis.
2. Dr. Li. Bambang Ruby S, S.Pd.I., M.Pd. the first supervisor, for his valuable guidance, constructive suggestions, and continuous encouragement during the research process.
3. Dedeh Rohayati, S.Pd., M.Pd., the second supervisor, for her insightful feedback, corrections, and assistance in improving this thesis.
4. All lecturers of the English Education Study Program at Universitas Galuh for sharing their knowledge, experience, and inspiration throughout the researcher's academic journey.
5. The principal, teachers, and students of the private Islamic schools in Ciamis where the research was conducted, for their willingness to participate in this study and for facilitating the research process.
6. The researcher's beloved Father, Mother, and all family members, whose love, sacrifices, prayers, and unwavering support have been the greatest source of strength throughout this journey. Every prayer they have offered and every encouragement they have given have carried the researcher through the most difficult moments of this process. This achievement belongs to them as much as it does to the researcher.
7. BTS RM, Jin, Suga, J-Hope, Jimin, V, and Jungkook whose music, words, and sincerity have accompanied the researcher through countless late nights and difficult days during the writing of this thesis. Their message to always love oneself and keep going has been a quiet but consistent source of courage.
8. The researcher's dearest friends Syafa, Tria, Raf'a, and Julia or their laughter, support, and companionship throughout this academic journey. Special gratitude goes to Novita Kirana, who has been a friend in every sense of the word present in every supervision session, every moment of doubt, and every small victory. Her companionship and loyalty mean more than words can express. And someone who has quietly supported the researcher's growth and progress from behind the scenes whose name may not be written here, but whose encouragement has never gone unnoticed or unfelt.

Finally, the researcher would like to express her sincere gratitude to everyone who has contributed, directly or indirectly, to the completion of this thesis. The researcher acknowledges that this thesis still has several limitations. Therefore, constructive criticism and valuable suggestions are highly appreciated for future improvement. The researcher hopes that this thesis will provide a positive contribution and serve as a useful reference for future researchers, students, and readers, particularly in the field of English education.
