

PREPACE

With the grace and blessing of Allah SWT, the writer has finally completed this research paper entitled “ The Use of Digital Flashcards as Multimodal to Enhance English Vocabulary Mastery in Elementary School at Ciamis: A Case Study“. This paper is submitted as a partial fulfillment of the requirements for attaining the Sarjana Pendidikan degree in English Education. The writer realizes that this research would not have been completed without the support, guidance, and encouragement from many individuals. Therefore, the writer would like to express her sincere gratitude to:

1. Dr. Li. Bambang Ruby S., M.Pd., as the Head of the English Education Study Program, Faculty of Teacher Training and Education, Universitas Galuh, for his guidance, encouragement, and support throughout the completion of this study.
2. Dr. Lilis Youlia Friatin, S.S., M.Pd., BI. As the first supervisor who always takes time to guide with a full sense of responsibility and provides a lot of knowledge since the preparation of the paper, as well as her support and solutions to every problem regarding the difficulties in writing this paper, which made the research finish on time.
3. Etika Rachmawati, S.Pd., M.Pd., as the second supervisor, has been pleased to provide guidance and suggestions so that the study can be carried out properly,

4. The English teacher of SDN 1 SUKAHAJI, for her cooperation, valuable insights, and generous support during the implementation of this research.
5. My beloved father, Mr. Cecep Agung Ismail, to whom I owe my deepest gratitude. Thank you for your unwavering dedication, hard work, and countless sacrifices in providing for our family. Every effort you have made has enabled me, your first child, to pursue higher education and reach this important milestone.
6. My beloved mother, Mrs. Widiанти, thank you for your endless love, heartfelt prayers, constant encouragement, patience, and countless sacrifices throughout my life. Your unwavering faith in me has been my greatest source of strength, Comfort, and inspiration. Thank you for always believing in me, standing by my side through every challenge, and filling my life with unconditional love and warmth.
7. My beloved friends, Bintang Wijaya Kusuma Bangsa, Indriyana Dwi Rahmah, Novitasari, and Wihda Puspitasani, thank you for your unwavering friendship, endless encouragement, kindness, and support throughout my four-year academic journey. Thank you for always standing by my side, sharing unforgettable memories, and offering comfort to keep me moving forward.
8. To an unnamed person who has been a vital part of this journey. Your support, encouragement, and love during times of fatigue and doubt have become a reason to persevere and move forward. Thank you for accompanying me until the end of this thesis. Every prayer and support has been a strengthening imprint and will live on in every achievement I make.

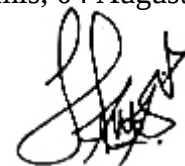

9. Thank you for the walks, the meals, and the coffee that kept me grounded.

You reminded me to breathe when the thesis felt overwhelming. I'm so grateful for your friendship. Salsabila Miswati Nim 1520124008.

10. Last but not least, to the researcher herself, the little girl who has struggled so far to get to this point. Thank you for not choosing to give up even though many things felt so hard to go through. Thank you for persisting amid fatigue, tears, disappointments, and various difficult circumstances. This journey is not a simple one; there are many things that must be sacrificed, many tears that fell silently, and much energy and time spent to be able to continue my education until completing this thesis. Thank you for being able to get through difficult days, staying standing even though many times I felt like I fell, and continuing to believe that all this struggle will find its end. This simple work is proof that the author has succeeded in reaching a point that previously could only be embraced through prayer and hope.

Finally, the researcher expects that this paper can be useful for the researcher herself and others who read this paper. Any corrections, comments, and critiques for the improvement of the paper are open-heartedly welcomed.
