

## PREFACE

All praise is due to Allah SWT for His endless blessings, guidance, and mercy, which have enabled the researcher to complete this paper entitled “Exploring Pedagogical and Technological Challenges in Using YouTube Video for Teaching English at Senior High School.” This paper has been prepared and submitted as partial fulfillment of the requirements for achieving the *Sarjana Pendidikan* degree in the English Education Study Program at Galuh University.

This paper could not have been completed without the support, guidance, and encouragement of many individuals. Therefore, the researcher would like to express sincere gratitude and appreciation to the following persons:

1. Dr. Li. Bambang Ruby S., M.Pd., Head of the English Education Study Program, for his support and motivation throughout the completion of this thesis.
2. Dr. Li. Andi Rustandi, S.Pd., M.Pd. the first supervisor, for her valuable guidance, constructive suggestions, and continuous encouragement during the research process.
3. Dr. Leni Irianti, S.Pd., M.Pd. the second supervisor, for her insightful feedback, corrections, and assistance in improving this thesis.
4. All lecturers of the English Education Study Program at Universitas Galuh for sharing their knowledge, experience, and inspiration throughout the researcher’s academic journey.
5. To the writer’s beloved parents, Mr. Asep Usman Eppendi and Mrs. Ai

Maryam, who have played an invaluable role throughout the writer's life, the writer would like to express his deepest gratitude for their endless sacrifices, unconditional love and affection, motivation, encouragement, advice, and sincere prayers offered in every prostration. Thank you for always giving your very best, even when life was not always easy. This thesis is one of the results of the countless efforts, sacrifices, and prayers of Bapak and Mamah. May Allah SWT always reward all your kindness with good health, happiness, abundant blessings, and endless mercy. The writer will always be grateful and proud to have Bapak and Mamah as his beloved parents.

6. To my younger sibling, Hani, my older brother, Aang, Teh Adel, and little Arsyila (Cila), thank you for always bringing laughter, encouragement, and color to my life throughout the journey of completing this thesis. Your love and presence have always reminded me that I have never faced this journey alone. I would also like to express my heartfelt gratitude to my extended family ema, nini dan aki for their endless love, prayers, support, and encouragement throughout this journey. Your kindness and belief in me have given me strength and motivation to keep going, especially during the most challenging moments.
7. I would also like to express my sincere gratitude to my beloved girlfriend, Alifia Syamsya Dhiya Pradana, S.Pd., for her constant encouragement, emotional support, patience, and companionship throughout the completion of this thesis. Her presence and understanding have given me strength during difficult moments and motivated me to keep going. I am also deeply grateful to her family for their kindness, warmth, support, and acceptance, which have

made this journey even more meaningful.

8. The researcher would also like to express sincere gratitude to all friends and classmates who have been part of this academic journey. Special appreciation is extended to Lecianro, Rama, Regata, Rian, Dadan, Farihan, Repi, Hilmi, Rafi, Irgie, A. Ichsan, Robi, Class C Student, and the English Education Class of 2022 for their support, companionship, and memorable moments. Special thanks are also extended to the writer's senior friends, Fazar Khoirul, S.Pd., Yana Setya, S.Pd., Rohmat Hidayat, S.Pd., and Didin Permana, S.Pd., for their guidance, support, and encouragement throughout this journey.
9. Special thanks are also addressed to Andi Setiadi S.Pd, Syamsul, Ali, Fajar, Gilang, Dani, and The Gumelar Jaya Futsal and Volleyball Team for their constant motivation, assistance, and friendship throughout this academic journey.
10. Finally, the researcher would like to thank everyone who has contributed, directly or indirectly, to the completion of this paper. May this study provide benefits for future researchers, students, and readers. Any suggestions and constructive criticism are highly appreciated for the improvement of future research.
