

PREFACE

With the grace and blessing of Allah SWT, finally the writer has finished completing this paper entitled “The Predictive Effect of Negative Peer Behavior Dimensions on Speaking Motivation”. This paper is submitted as a partial fulfillment of the requirements for attaining the *Sarjana Pendidikan* degree in English education.

The writer is indebted to many people without whom this paper would still be a distant dream; therefore, the writer wishes to express her sincere gratitude to people who helped her in conducting this study. First of all, she would like to extend great thanks to her parents who have given support in material and immaterial. In addition, she would like to thank:

1. Dr. Ratnawati, S.Pd., as the first supervisor, for her invaluable guidance, patience, and professional suggestions throughout the completion of this research.
2. Dr. Lilies Youlia F., S.S., M.Pd. B.I., as the second supervisor who has provided guidance so that the study ran smoothly.
3. All lecturers of English education program in Galuh University who have given a lot of knowledge to the writer.
4. Her precious family, for their endless prayers, sacrifices, and for providing a warm home that has always been her greatest motivation and strength.
5. Her dearest friends, the support system through thick and thin, for all the laughter, encouragement during the long nights of writing this research.
6. Her beloved, thank you for his endless encouragement and for being her peace throughout this journey.

Finally, the writer expects that this paper can be useful for the writer herself and for the readers in general. She also welcomes suggestions and corrections to make the paper come out better.

Ciamis, Juli 2026
