Hindia (Baskara Putra)

“Feel every process you go through in your life, so that you know how great you are for having fought this far.”

With deep gratitude and love, this thesis is dedicated to my beloved parents who have always been my source of strength and inspiration through their unwavering prayers and support, to my family who constantly encouraged me, to my supervisor and all lecturers who generously shared their knowledge, and to my friends who stood by me through every joy and struggle. Finally, this work is also dedicated to myself, Alya Handaya Putri, for making it this far despite the obstacles, and for never giving up.
