

PREFACE

With the guidance and blessing of Allah SWT, the researcher succeeded in compiling a thesis entitled “Exploration of the Impact of Story Telling Activities on Students' English Pronunciation Learning Strategies (Case Study at One of the High Schools in Ciamis)”. This thesis is submitted as one of the requirements to obtain a Bachelor of Education degree in English Education.

This achievement would not have been possible without the invaluable support and encouragement from various parties. Their contributions have been instrumental in transforming this paper from a distant ideal to a tangible reality. The researcher would like to express her deepest gratitude to the following people:

1. Dr.Li. Bambang Ruby Sugiarto,S.Pd.I., M.Pd. as the Head of English Education Study Program, who has provided encouragement and motivation to complete this thesis.
2. Didih Faridah, M.Pd., the first supervisor, who has provided guidance, direction, and motivation during the process of writing this thesis.
3. Rina Herlina, M.Pd., the second supervisor, who has provided valuable input, advice, and corrections.
4. All lecturers of the English education program at Universitas Galuh who have given a lot of knowledge to the researcher.
5. The principal, teachers, and students at a high school in Ciamis who agreed to be respondents and provided opportunities to conduct research.
6. My parents, especially my beloved mother, my siblings, and my family, with their unwavering support, prayers, love, and patience, have been an endless source of strength and motivation. Their prayers and encouragement have been essential in realizing this dream.

7. My beloved colleagues and friends, including Devi Ayu, Nestheani Alya, Silpi Tiara, Sara Laila, Aulia Azizah, and all English Literature students of the 2021 class, thank you for your endless support, motivation, and assistance. Thank you also to my beloved bestfriends, Anita Nuraeni, Nadipa Putri Nurhaida, Raf'a Nurhidayanti, and Friska Candra Futri, for your endless support, motivation, and assistance. To Putra L, thank you for your support, prayers, and everything that has been given to support the preparation of this thesis, as well as all parties who have supported the researcher who cannot be mentioned one by one. Finally, the researcher hopes this paper is useful for researchers and readers in general. Suggestions and corrections for the improvement of this paper are also very much appreciated.
